Volunteer Opportunities

The Museum of the Albemarle brims with historical treasures from across the Albemarle region. These treasures come to life for thousands of people every year with the help of volunteer docents who host programs and events. Experience the fun of interpreting the past to children and adults by assisting us at the reception desk or monitoring the gallery during events. Help develop educational programs, outreach, and promotional displays. Volunteers are some of the Museum's greatest treasures!

Please join us. The opportunity awaits you to meet people, participate in special docent activities, and learn more about our region and state. Become a volunteer and help preserve North Carolina's heritage.

For more information, complete the attached application and return to MOA.
